Mylan to Report First Quarter 2016 Financial Results on May 3, 2016

HERTFORDSHIRE, England, and PITTSBURGH, April 19, 2016 /PRNewswire/ -- Mylan N.V. (NASDAQ, TASE: MYL) today announced that it will host a conference call and live webcast, on Tuesday, May 3, 2016, at 10 a.m. EDT, to review the company's financial results for the first quarter ended March 31, 2016. Mylan will release its financial results on May 3, before the open of the U.S. financial markets.

The dial-in number to access the earnings call is 800.514.4861 or 678.809.2405 for international callers. To access the live webcast, please log on to Mylan's website, mylan.com, at least 15 minutes before the event is scheduled to begin to register and download or install any necessary software. A replay of the webcast will be available at mylan.com/investors, for a limited time.

Mylan is a global pharmaceutical company committed to setting new standards in healthcare. Working together around the world to provide 7 billion people access to high quality medicine, we innovate to satisfy unmet needs; make reliability and service excellence a habit; do what's right, not what's easy; and impact the future through passionate global leadership. We offer a growing portfolio of more than 1,400 generic and branded pharmaceuticals, including antiretroviral therapies on which nearly 50% of people being treated for HIV/AIDS in the developing world depend. We market our products in approximately 165 countries and territories. Our global R&D and manufacturing platform includes more than 50 facilities, and we are one of the world's largest producers of active pharmaceutical ingredients. Every member of our nearly 35,000-strong workforce is dedicated to creating better health for a better world, one person at a time. Learn more at mylan.com.
