

## **Mylan Granted Temporary Restraining Order Against GlaxoSmithKline and Apotex Prohibiting the Supply, Sale and/or Importing of a Generic Version of Paxil CR**

PITTSBURGH, Sept 21, 2010 /PRNewswire via COMTEX News Network/ -- Mylan Inc. (Nasdaq: MYL) today obtained a temporary restraining order from the U.S. District Court for the District of New Jersey that prohibits Apotex from "using, offering to sell, selling or shipping or otherwise launching ... or importing" all three strengths of a generic version of GlaxoSmithKline's Paxil CR, Paroxetine Hydrochloride (HCl) Extended-release (ER) Tablets, 12.5 mg, 25 mg and 37.5 mg. The order also prohibits GlaxoSmithKline from supplying Apotex with a generic version of the product. The order was entered today, and the court has scheduled further hearings on the matter for Oct. 18.

Mylan is currently selling all three strengths of Paroxetine HCl ER.

Mylan Inc. ranks among the leading generic and specialty pharmaceutical companies in the world and provides products to customers in more than 140 countries and territories. The company maintains one of the industry's broadest and highest quality product portfolios supported by a robust product pipeline; operates one of the world's largest active pharmaceutical ingredient manufacturers; and runs a specialty business focused on respiratory, allergy and psychiatric therapies.
